We handle construction and interior projects, covering planning, execution, and finishing across residential and commercial sectors

PORTOFOLIO

ARCHITECTURE • CONSTRUCTION • INTERIOR & FURNITURE

ABOUT

We design and build studio specializing in **construction, architecture and interior** with a strong portofolio in the hospitality industry and residential.

We collaborate with hotels, resorts, restaurants, and commercial spaces to create environments that are not only visually stunning but also highly functional and guest-oriented.

OUR Mission

We are committed to delivering:

- To integrate customer aspirations and emotional values with seamless experiences, creating unique and distinctive characteristics.
- To design spaces that harmonize beauty, functionality, and sustainability, supported by modern innovation to deliver the best service.
- To provide professional, trusted Design and Construction services focused on customer satisfaction.
- To build long-term relationships with clients, partners, and employees through effective communication and strong collaboration.

OUR PROJECT

RESIDENTIAL

We handle residential projects, including private homes and villas, from new builds to comprehensive renovations. Our experience covers multi-storey home renovations and ground-up construction, supported by integrated interior and custom furniture solutions.

COMMERCIAL

We deliver design and build services for commercial properties, such as shophouses and retail spaces, with a focus on efficiency and long-term value. Our portfolio includes renovation and structural development of multi-level commercial buildings.

HOSPITALITY

We create hospitality spaces, including hotels and cafés, emphasizing user experience, ambiance, and brand identity. Our work includes interior development with custom elements tailored to each concept.

OFFICE

We design and build functional workspaces that support productivity and reflect corporate identity. Our services cover both interior fit-outs and complete office development.

STRUCTURE

We execute structural works, including foundations, reinforcements, and specialized construction elements, with strong technical precision. Our experience includes multi-storey foundation works, infrastructure improvements, and steel structures.

FURNITURE

We provide bespoke interior and custom furniture solutions integrated with overall design concepts. Our work spans residential, hospitality, and commercial projects with a focus on quality and detail.

RESIDENTIAL

We handle residential projects, including **private homes** and **villas**, from **new builds** to comprehensive **renovations**. Our experience covers multi-storey home renovations and ground-up construction, supported by integrated **interior** and custom **furniture** solutions.
